

contact.firstname,

The Black Friday shopping frenzy is upon us. As you search for the perfect holiday gifts, please don't forget about our brothers and sisters who need medical care.

Before 2022 ends, you can provide life-saving medical care for someone in crisis. **Plus, your gift DOUBLES!** [Join the Giving Tuesday movement with a gift today >>](#)

Your generosity today will be matched dollar-for-dollar through November 29! Our goal is to raise \$60,000 to bring life-saving medical care to people in crisis around the world.

Will you help reach the goal before time runs out?

I hope you'll consider giving the gift of healing this year. It only takes \$25 to heal one person. Healing can look like:

- Caring for the injuries of a refugee who has lost everything fleeing from violence and persecution
- Sending emergency assistance to someone who just survived a disaster
- Providing prenatal care for an expecting mother
- Giving doctors and nurses the equipment needed to save the life of an infant born prematurely

The special Giving Tuesday match is live right now! Will you help us meet the goal of \$60,000 matched dollar-for-dollar this Giving Tuesday?

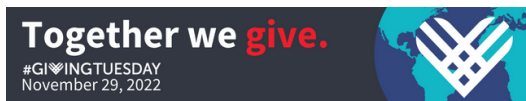

[Yes, I want to double my gift today >>](#)

Thank you for daring to love like Jesus with bold generosity to help people who are hurting.

Blessings,

Martha Holley Newsome
