

# TODAY ONLY : Your gift doubles

Emily,

Today is an important day to save lives. It's Giving Tuesday! The day when millions join together to embrace the holiday spirit of generosity.

In honor of today, I am overjoyed to announce a special match. Today only, all gifts double in value up to \$60,000. Will you help meet this goal and unlock the full \$60,000 match with a gift today? [Double my Giving Tuesday gift now! =>](#)

For people like you — people who want to help heal our broken world — I want to share **3 ways you'll make a difference this Giving Tuesday:**

**1. Your gift will save lives.** From babies born prematurely, fighting for their lives in incubators, to refugees who have survived violence and need loving care, your gift will provide healing to people in crisis.

**2. You'll provide 2X the amount of medical care.** Thanks to this special Giving Tuesday match, if you give before midnight tonight, your gift will double!

**3. Healing leads to hope.** Sick children can't attend school. An injured parent can't work to provide for their child's needs. You can deliver healing, and with that, hope for the future.

**Your gift can help save lives right now.** Will you give to help meet the goal of \$60,000 to bring medical care to people who are sick and hurting?

**And don't forget the clock is ticking. All gifts are DOUBLED until midnight tonight!**

God calls us to love our neighbor. I hope you'll choose to give today and be the hands and feet of Jesus.

Blessings,

**Martha Holley Newsome**
