GIVING TUESDAY

Emily,

This Giving Tuesday, I believe miracles are possible. A mother can rock her child to sleep after getting malaria treatment for them. A malnourished little boy or girl can get emergency nutrition. A person fleeing a violent war can find safe refuge and health care.

But a Giving Tuesday miracle is only possible if you give today.

Will you make a gift today to send **TWICE** the loving, life-saving medical care to our brothers and sisters around the world? [**Yes, I'll send 2X the loving care now >>**](#)

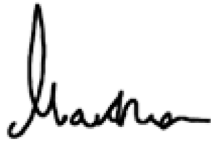

Give Now

For people like you — who want to make a difference in our broken world — I want to share just **a few ways you'll have an impact this Giving Tuesday:**

1. **You'll deliver care that saves lives.** Our teams work in places where often no other care is available. Your gift means a child with malaria gets the medication they need to survive. It means a pregnant woman gets an emergency C-section to safely deliver her baby.
2. **You'll heal twice as many people!** The double match means your dollar goes twice as far. That's two mothers who are able to have a safe birth, instead of one.
3. **You'll bring hope.** We know living well starts with health. A sick child can't go to school. An injured parent can't work to provide for that child's needs. When you deliver healing, you also give hope for the future.

We only have 24 hours to make this Giving Tuesday count. I pray you'll give today and show God's love to children, women, and men around the world.

Blessings,

Martha Holley Newsome
President & CEO

P.S. This special match won't last! Only the first \$65,000 in gifts will be doubled.
