

## You did it!

Emily,

Yesterday was Medical Teams Giving Day! Thank you for being an incredible part of the Medical Teams community. In total we raised \$25,914 to help save lives. THANK YOU!

But that's not all! Thanks to a special \$25,000 match, **yesterday's total becomes \$50,914**. Your gifts are going to work right away to provide loving, life-saving medical care to people around the world. Every \$25 given helps provide medical care for one person. **That means your generosity is helping heal over 2,000 people.**

I am so grateful for your support of Medical Teams and your commitment to providing health and wholeness to people experiencing hardships.

Thank you for being the hands and feet of Jesus.

Blessings,

Martha Holley Newsome
