

Emily,

Words really aren't enough to express our thanks.

Yesterday, on Giving Tuesday, we set a goal to raise \$60,000 to send life-saving medical care for people in crisis. Things didn't go the way we planned...

Instead, \$74,732 was raised to provide life-saving medical care! We are so thankful! And because of the special \$60,000 match, that became \$134,732, providing healing for 5,389 people.

We are so grateful for such an incredible outpouring of generosity.

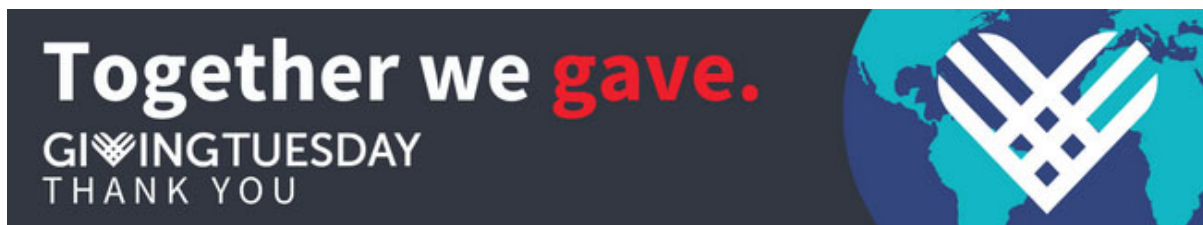

These gifts will go to work right away. They will stock clinic shelves with medical supplies, provide treatment for a sick child or treat a refugee's injuries. They will empower people to help their neighbors and help communities heal after disasters.

Thank you for putting God's love into action and bringing healing into a broken world. We hope you'll join us in celebrating.

With gratitude,

Medical Teams International

P.S. Missed your chance to give? Check out the [2022 Holiday Gift Catalog](#) for another chance to provide healing this holiday season.
